

Use of phone statement: For young people under 18.

Greentop wishes to encourage focus on the learning and experience of taking part in learning circus so our starting position regarding young people's telephones is that they should remain in a child's bag/coat pocket in the storage area.

The potential value of digital technology can be brought to sessions but only at the invitation of the teacher leading the class.

In certain holiday camps more access to phones will be considered by the lead teacher in break times. This will be subject to the teacher's discretion .

This statement does not impact the Greentop policy regarding photography.

This statement has been drafted in line with government guidance regarding mobile phones in school, Feb 2024
